

## **NIMS Compliance Requirements**

Required training must be completed in the National Incident Management System (NIMS) as a cornerstone to the approval process for Federal Emergency Preparedness Funding grants. You must be NIMS compliant or federal preparedness funding could be in jeopardy. The OSU Fire Training Center has required training scheduled through the end of the calendar year. You can contact them at 1 (800) 304 5727.

If you have completed the required NIMS training, it is important that you document your training prior to September 30, 2008 by completing the assessment in the NIMSCAST assessment tool. The Oklahoma Office of Homeland Security has a compliance team to assist you with the NIMS requirements at (405) 425 7296 or (405) 605 8226.

Further information can be obtained from [www.ok.gov/homeland/NIMS/index.html](http://www.ok.gov/homeland/NIMS/index.html).
